## Interaction with Mr M K Stalin, Chief Minister of Tamil Nadu on 19 May 2021

The meeting saw participation of Mr KKS Ramachandran, Minister for Revenue & Disaster Management; Mr M Subramaniam, Minister for Health & Family Welfare, Government of Tamil Nadu and senior bureaucrats including Dr V Irai Anbu, Chief Secretary, Government of Tamil Nadu and Mr N Muruganandam, Secretary – Industries Department, Government of Tamil Nadu.

Mr Venu Srinivasan, Past President, CII; Mr C K Ranganathan, Chairman, CII-SR; Mr T Kannan, Past Chairman, CII-SR; Mr Vipin Sondhi, MD, Ashok Leyland; Dr S Chandrakumar, Chairman, CII Tamil Nadu among other select members of CII also participated in the meeting.

During the meeting Chief Minister urged industrialists to support in contributing essential medical items like - oxygen concentrators, oxygen generators, oxygen flow meters, cryogenic tanks and oxygen cylinders - as part of their Corporate Social Responsibility initiative.

## INTERACTIONS AND REPRESENTATIONS

### Salem Zone Member's Meeting with Mr V Senthil Balaji, Minister for Electricity & Prohibition and Excise & Mr Rajendran MLA, Government of Tamil Nadu on 19 May 2021

CII Salem Chairman and Vice Chairman met Hon'ble Minister Mr V Senthil Balaji & Mr Rajendran, MLA to discuss the progress of the upcoming Salem Steel Plant Covid relief make shift hospital which is supported by CII.

During the discussions Minister said that the Chief Minister would be visiting and inaugurating the project site on 20 May 2021.

He also appreciated CII and the members

for their support towards mobilizing funds and relief items. The office bearers highlighted that CII is planning to set up another 500 beds as phase 2 which would be ready by first week of June 2021.

### CII – YI Oxygen on Wheels Initiative was launched on 21 May 2021

The bus was inaugurated by Mr Dayanidhi Maran, Member of Parliament in the presence of Mr Sekar Babu, Minister for HR&CE, Government of Tamil Nadu and Mr Vetri Azhagan, MLA and handed over to Dr Ashok, Director, ESI Hospital Aynavaram and Superintendent Dr Venkata Madhu Prasad.

## CII Kerala Planning Meeting on State Level Logistics Action Plan on 19 May 2021

Kerala Government is formulating a State Level Logistics Action Plan to enhance the competitiveness of the logistics sector. CII will be working with Kerala Government to prepare this plan.

In this context, a meeting was organised by KINFRA to take industry inputs. Mr Sreenath Vishnu, Chairman, CII Kerala along with Mr Navas Meeran, Past Chairman, CII Southern Region & Kerala, Mr Hari Krishnan Nair, Past Chairman, CII Kerala and Mr Rasak, Vice Chairman, CII North Kerala Zone, Mr KV Mahidar, Executive Director, CII & Head CII Institute of Logistics interacted with Dr

Ellangovan, Principal Secretary, Industries, Government of Kerala.

---

## Interaction with Mr E Vallavan, IAS, Secretary, Department of Industries and Commerce, Labour and LAD, Government of Puducherry on 20 May 2021

Mr Vijay Ganesh K, Chairman, CII Puducherry met with Mr Vallavan, Secretary – Industries Department to submit representation on reconsidering the lockdown guidelines issued by Government of Puducherry. The guidelines has adversely affected the functioning of the industries including essential services manufacturing sector. The representation submitted suggested exemption for Industries supplying to healthcare sector.

Mr Vallavan assured the industry members that he will discuss with the core committee all operational issues faced by Industry on day to day basis.

This apart, an Interaction was held on 21 May 2021 with Dr N Murugesan, Chairman, East Coast Hospitals Ltd to discuss vaccination drive among industry clusters. Discussions were also held on facilitating centres for Covid-19 testing on industry premises.

On 21 May 2021, members from CII Puducherry met officials including Dr T Arun, IAS, Secretary Health, Government of Puducherry; Dr S Mohan Kumar, Director, Health Department; Dr Udayashankar, Director, Indira Gandhi Medical College & Research Institute and handed over 2 of Ventilators and 500 Ltrs of Liquid Sanitizer to the Indira Gandhi Medical College & Research Institute, Government of Puducherry in the presence of Dr T Arun, IAS, Secretary Health, Government of Puducherry.

## Town Hall with Mr Jayesh Ranjan, IAS, Principal Secretary, Industries & Commerce, ITE&C depts., Government of Telangana on 19 May 2021

Town Hall with Mr Jayesh Ranjan, IAS, Principal Secretary, Industries & Commerce, ITE&C depts., Government of Telangana, was held on 19th May 2021 to discuss Covid-19 mitigation initiatives by the Government. The discussions also on challenges faced by the industrial units during the lockdown.

Members including Mr Sameer Goel, Chairman, CII Telangana, Mr Vagish Dixit, Vice Chairman, CII Telangana, Mr D Raju, Past Chairman, CII Telangana, Mrs Vanitha Datla, Past Chairperson, CII Telangana, and Mr Sanjay Singh, Past Chairman, CII Telangana participated in the session.

Key points discussed and suggested at the meeting were:

- Telangana government placed a Global tender for 1 crore vaccine to speed up the vaccination process in the state
- Immediate priority of vaccination will be to provide the vaccination to the 45+ age group and the super spreaders who are the people involved in e-commerce, drivers, workers in pharma industry etc.
- Once, this priority vaccination drive is over, then the vaccination will be open for the age group between 18 -44.
- When the age group between 18-44 vaccinations is open, Industry can collaborate with hospitals for the vaccination for their employees.
- Telangana Government considered the requests made during the meeting, to provide the approval to the transport vehicles with temporary registration for commutation to assist the industry during the lockdown, as well as for supporting vaccination for students who will be travelling abroad for studies.

## CII Andhra Pradesh Session on New CSR Amendments

The amended Corporate Social Responsibility (CSR) Rules focus on the impact and scale of CSR projects, re-emphasising that companies can come together to collaborate on initiatives. The pandemic's impact on society has encouraged Industry to work with various stakeholders on relief and rehabilitation. The Session was to discuss how the amended CSR Rules may help Industry in greater societal engagement.

## RELIEF AND REHABILITATION ACROSS CII SOUTHERN REGION

CII and CII Foundation with the support of Kistler Instruments Pvt Ltd are reaching out to 300 families in one of the largest resettlement sites in Chennai, Perumbakkam providing them with relief kits with rations comprising also of sanitation materials. The support extended mainly to elderly and women-headed households to mitigate the adverse impact of the lockdown in extreme vulnerable situation.

### CII SR Covid relief for child welfare

CII works closely with the government and local authorities of the southern states to identify and address pressing needs pertaining to children who are abandoned or orphaned by the crisis. Many parents are also infected or have lost their livelihoods due to the pandemic leaving the children in a frightful plight.

In Tamil Nadu, CII kicked off the initiative with the support of Adwaith Lakshmi Industries Ltd and Lakshmi Ring Travellers Ltd by providing rations in Erode and Coimbatore districts. The exercise is being carried out in a phased manner and will reach other districts and states as well based on short- and long-term needs.

CII stands committed to support all front-line workers since the past one year. CII has contributed on several critical fronts in response to Covid-19 and supporting the well-being of Covid warriors to match their needs under its Covid Relief & Rehabilitation initiative.

CII Andhra Pradesh donated 5100 number of N-95 masks to Railway frontline staff of Waltair Division of Indian Railways. Mr KVV Raju, Past Chairman, CII Visakhapatnam Zone and his team had handed over the masks to Divisional Railway Manager, Waltair Mr Chetan Kumar Shrivastava at his office today

CII Kerala with the help of its member companies is setting up **Centralized Oxygen Manifold System in 20 Government Hospitals** across 9 districts of Kerala creating close to 10000 beds with oxygen supply. This initiative will be implemented with the support of National Health Mission.

The companies supporting this include Brahmins Foods India Pvt Ltd, Kancor Ingredients Ltd, Eastern Condiments Pvt Ltd, Akay Natural Ingredients Pvt Ltd, Buimerc India Foundation, Rubfila International Ltd, Terumo Penpol Pvt Ltd, Geojit Foundation, Kanam Latex Industries Pvt Ltd, Skyline Builders, Malankara Plantation Ltd, ESAF Small Finance Bank and Gemini Software Pvt Ltd

CII took up the effort of creating a fully equipped 500 bed Second line **Covid Treatment Center at Adlux Convention Centre**, Ernakulam. This initiative is supported by Infosys Foundation, US Technology International, IBS Software, Muthoot Fincorp, Eastern Condiments Pvt Ltd, Federal Bank Ltd, Synthite Industries Pvt Ltd, Kancor Ingredients Ltd, Suntec Business Solutions Pvt Ltd and ESAF Small Finance Bank Ltd

CII with the support of Brahmins Foods Pvt Ltd and Premium Ferro Alloys distributed rations to community kitchens that reach over 900 members of the underprivileged and marginalised community per day and there was also a distribution of 1000 food kits and some medicines were distributed to families affected in Trivandrum

## CII - SOUTHERN REGION IN PRINT AND SOCIAL MEDIA

### Oxygen allocation to TN hiked to 519 metric tonnes: CM

**EXPRESS NEWS SERVICE**  
@Chennai

THE oxygen allocation for Tamil Nadu has been hiked to 519 metric tonnes and the State government has permitted production of 15 metric tonnes of oxygen through three plants, said Chief Minister MK Stalin on Wednesday. Besides, 7,000 oxygen concentrators are being gathered from many factories and SIPCOT.

Addressing a meeting of various industry establishments' representatives, the Chief Minister pointed out that the pandemic had put massive pressure on medical infrastructure of the State.

"The SIPCOT brought 500 oxygen cylinders by air from Singapore and 1,600 cylinders are being transported from Singapore by sea. Also, through the CII and Samling, arrange-

ments are being made to procure 500 oxygen cylinders. At present 13 mini oxygen production units are being established through industrial units. The DRDO is also setting up 142 mini oxygen production units in association with the National Highways Authority of India," Stalin said.

The Chief Minister also requested the industry leaders to contribute to the government's fight against the pandemic.

India Cements vice-Chairman and managing director N Srinivasan suggested creation of a small working group, comprising officials and industry representatives, to look at the vaccination drive and other requirements. "We are prepared to convert occupational centres and other facilities in our factories into vaccination centres. We can also help with the vaccination drive in rural areas," said Srinivasan.

As the meeting concluded, various company representatives handed over cheques to the CM. Banari Sugars Limited donated ₹1 crore, Lakshmi Machine Works ₹3 crore, Hyundai Motor India ₹5 crore, VGP Group of companies ₹40 lakh, Tamil Nadu Chemists and Druggists Association ₹25 lakh, IS Abdul Rahman Crescent Institute of Science and Technology ₹1.50 crore, Indian Bank ₹1 crore, Mool Hospitals ₹50 lakh, Chettinad Group of companies ₹1 crore, Dharmalakshmi Srinivasan Group of Institutions ₹1 crore, Caplin Point Laboratories Ltd ₹1 crore, Swirex Energy Systems Ltd ₹1 crore, Velammal Group of Institutions ₹1.25 crore, IS Abdul Rahman Crescent Institute of Science and Technology ₹1.50 crore and Aschi group of companies 1 crore.

### CII-Kerala to set up oxygen manifold system in 20 government hospitals
