COVID-19 VACCINATION ADVISORY

With several States experiencing a second wave of surge of Covid-19 cases, the Government of India has allowed a vaccination for every person above the age of 45 years from April 1st 2021. Vaccination is a safe way to build protection and hence an important tool to stop the pandemic.

As such, the Government of Goa hereby issues the following advisory for its employees, whether employed in State Government Departments, Semi-Government Organisations, Autonomous Bodies or in any other Aided Institutions under Government of Goa :-

1. All the employees above 45 years of age irrespective of having any comorbidities or not, working in any of the above entities are advised to vaccinate themselves at the earliest by visiting the nearby vaccination centres.
2. All the employees shall continue to wear mask, maintain social distance and follow laid down safety protocol with regards to Covid-19.

This issues with the approval of the Competent Authority.
