Indore Airport is playing key role in the fight against Covid-19. Remdesivir injections were transported from Indore airport to Gwalior, Dhana and Bhopal. Starting from 23.04.2021, total **18** empty Oxygen tankers have been transported from Indore to Jamnagar, Surat (Gujarat) and Raipur (Chhattisgarh) by Indian Airforce Aircraft C-17 Globe Master. Covaxin and Covishield vaccines were received to Indore from Mumbai, Hyderabad and Delhi. The movements were held swiftly by airport team.

The nation is fighting a severe battle against the Corona Virus and in this crisis period, supply of medical essentials like Vaccines, Oxygen Concentrators, Oximeter and other essentials are of utmost importance. In this fight, Ministry of Civil Aviation and various airports and airlines and their corona warriors are playing their role by ensuring uninterrupted supply of all the medical essentials coming in or going out of various cities/states. The details of the movement of vaccines, Remdesivir injection, oxygen tankers etc. from Indore Airport are as following:
