JNPT and New Mangalore Port handle 120 Metric Tonnes of Oxygen on priority basis.

Posted On: 10 MAY 2021 5:45PM by PIB Delhi

JNPT and New Mangalore Port today handled 120 Metric Tonnes of Medical Oxygen on priority basis.

in India's largest Container Port, Jawahrlal Nehru Port Trust handled four medical-grade oxygen filled cryogenic containers with total quantity of 80 MT. Each cryogenic container carried 20 MT of Liquid Medical grade Oxygen. These medical grade oxygen containers were loaded in Jebel Ali, United Arab Emirates and reached India today.

80 MT of Medical Oxygen reaches JNPT today from Jebel Ali , UAE

@JNPort handled the Oxygen Cargo on utmost priority basis.
